Dear Reader,

**Happy New Year & MLK Day!** New look - and as you can see my obsession with color and clipart continues! Hope your **2010** is getting off to a good start. This month also marks my **5 year anniversary** as a published author! To celebrate the occasion, I wanted to do something special for my readers - so, I've decided to give you a

**FREE BOOK!!!** For all of you who have requested the follow up to *Déjà vu* (Angela & Gabriel's story) here it is!!

Every month of 2010 I will post online (2) chapters of a never before published romantic suspense titled, *When Love Calls*. To read it, all you have to do is go to my website - the **Bonus Features** page - to download, or you can read it right on the site. The first (2) chapters will be posted by **Jan 22nd**, and going forward, each month in the newsletter I will let you know when the new chapters are posted.

If you have any trouble accessing the book just send me an email. And again, thank you for all your unwavering support and encouragement over the years!! Here's to 5 more!!!

In addition to the free book, I have (2) Kimani projects scheduled for release this year:

*Miami Attraction* - April

*Beats Of My Heart (Rhythms of Love Anthology)* - May

Below is the sexy cover for *Miami Attraction*. The book blurb & excerpt will be posted on my site in February, and I will post more info. about *Beats of My Heart*, my story in the *Rhythms of Love Anthology* w/ Beverly Jenkins in March.

Just a reminder that *His Perfect Match* is still on sale in stores and online distributors, so if

you haven't picked up a copy there is still time!

Congratulations to the winners of the *His Perfect*

*Match* contest - I hope you enjoy your travel mugs.

Well, that's it for now, and personally I can't wait to

see what exciting new things this year will bring!

Until next time . . .

Take care,  
Elaine
