Dear Reader,

Happy **4th of July**!! Hope you are having a wonderful summer so far.

There is not a lot going on with me right now, just working hard on my books. Despite their bad behavior, I'm finally managing to form my characters into some kind of a cohesive group with a related purpose. ☺

I've finished up my two smaller projects. One of which is my first anthology, a **Parker Publishing** book scheduled for **09'**.

Myself, along with several other **AA romance authors** have combined short stories. Sorry, no firm title yet, but I'll be able to give you more information later this year.

Well, you know you're getting old when *both* your "teen heartthrobs" hit the **big 50** as mine are doing this summer! So, I wanted to take a moment to say, Happy B-Day, fellas, and thanks for all the great music.

Other than the voices in my head, it's been a quiet summer. So, I thought it would be fun to post a **word search** puzzle containing the **titles** of my books, as well as the names of the **heroes & heroines**.

Good luck finding them!! ☺

As you enjoy the holiday with your family and friends, please, as always, keep our soldiers in your prayers.

Next month, I plan to have a book trailer for **Seducing the Matchmaker** posted on my website, so check it out! That's it for now, until next time.

Take care,
Elaine
