His Holiday Bride is Now in Stores!!!!

October 1, 2007

Dear Readers,

My sixth novel, *His Holiday Bride*, is now on sale in bookstores! And available in eBook as well. The feedback I've gotten so far has been fantastic!! Thank you to everyone who has sent me those great emails. ☺

See What RT Magazine has to say about it!!!

RT Oct. Top Pick! *Elaine Overton does a wonderful job conveying her characters feelings, their emotional baggage and their struggles without getting maudlin or boring in His Holiday Bride. This book is a definite keeper! - 4-1/2 Stars*

As satisfying as it is knowing my latest effort has been well received, it's no excuse to rest on my laurels - lol. Onward & upward! I am still working on my seventh novel, still untitled, sorry ☺. I do not have a solid pub. date, but will let you know more as soon as I do.

Autumn is here, and with it **Halloween**. Thankfully, my days of "walking the beat" are over. I now have a teenager moving into the night time party phase of teen life. Lord, help me survive it!

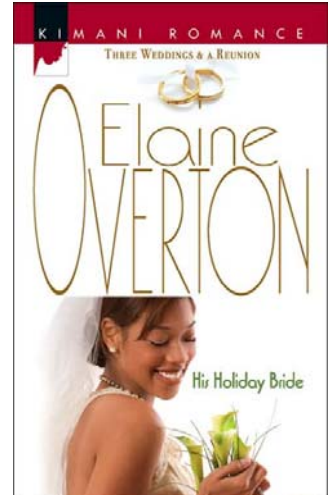

It seems like a lifetime ago, when I was a child, and kids were allowed to go trick-or-treating without parental supervision. Primarily, because you knew the people in each of the houses you visited, but that world is gone, never to return. And there are those who would take the occasion to harm those most innocent. So, Mama's and Daddy's - *please* watch your babies!

There have been a few updates to my website, so when you have time check it out, you might find something that interest you. Also, check back around the middle of the month and the contest for *His Holiday Bride* will be posted. The contest is scheduled to run from Oct. 15th - 26th. I've got a great prize package for the contest, but there will only be (5) winners - so make sure you submit your entry early! As always, feel free to send me any ideas or suggestions you may have for improving my website.

This upcoming week promises to be a interesting one, as I am celebrating my birthday on Thursday, then I'm driving down to Cleveland, OH on Friday to do a book signing at the **Borders Express in The Tower City Ctr.** So, if you're in the Cleveland area, drop by and say hello! Well, that's all the news for now, but I hope you'll read and enjoy *His Holiday Bride*, and as always I'd love to hear your thoughts on it. Until, next time . . .

Was my little man cute or what? In case you can't tell, he was a pumpkin. (at age - 3 yrs.)

Trouble was her middle name...

Of the four Lockharts, Amber was the wild child, a part-time student and full-time groupie who gave her older sisters sleepless nights. But even Amber was surprised when her pre-Christmas getaway turned nasty, causing her to flee from danger—right into the six-pack abs of Paul Gutierrez.

His was danger...

Going home was not an option when Amber became the target of a man desperate to keep a secret. So Paul's L.A. home became her safe house, his strong arms her armor. After long nights with her macho protector, Amber was in danger, all right—from a hot, sexy Latin lover!

Take care!
