Dear Reader,

Happy Halloween !! From what I hear, in recent years it's become as popular among adults as it is among children. So, to children of all ages, enjoy the festivities. ☺

Well, ten months into the year, and yes, I'm sticking to my resolution!!

I would like to say that I've made VAST improvements regarding my commitment to get organized this year. The truth is only baby steps, but, I say *any* progress is good, right? If nothing else, this has been a somewhat enlightening experience, and I have come to accept that some of my bad habits are so deeply engrained, at this point they are just an  accepted part of me.

Currently, I'm hard at work on my 9th book, a Kimani Press release scheduled for **Dec-09**. Sorry, no title yet.

Well, the clock is winding down, and ***Seducing the Matchmaker*** is now available for pre-sale on Eharlequin.com & Amazon.com. Visit my website to see the back cover blurb, chapter excerpt and check out the **new trailer**. The ***Seducing the Matchmaker*** contest will be posted first week in November, so check back for details!

Also, I have a few new signings posted on my appearance page, including an event scheduled for **December 6th - Reader Appreciation Luncheon**. This is the first of what I hope will be an annual luncheon for my readers, free of charge. The plan, as it stands, is that the city location of the luncheon will change from year to year giving readers in all areas of the country a chance to participate. This year the luncheon will be held in downtown Detroit. The details are posted on my site, so if you are interested in attending, please send the RSVP, as space will be limited.

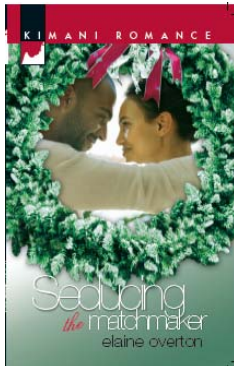

Next, there's been a modification to the Nov. schedule. The online chat is now a conference call. It is still on **Thursday, November 13th - 8pm**. So, dial in and chat with me regarding any of my books, including ***Seducing the Matchmaker***, upcoming projects, and questions regarding the biz. **Dial-In information can be found on the appearance page of my website.**

RT Book Club says . . .

“*Seducing the Matchmaker* is the delightful, fresh, and funny story of what happens when two people who seem totally wrong for one another are totally right. The conflict and sparks between the lovers leap off the pages.”

4-1/2 stars!!!

appearance page of my website.

And finally, tomorrow is my birthday! So I'm taking the day off in every sense of the word! No working, no writing, and I refuse to go anywhere near a kitchen. Yeah, right like *that's* gonna happen.☺ Until next month . . .

Take care,
Elaine
